: DECISION ON PETITION

: UNDER 37 CFR 1.137(b)  
:  
:

The petition to revive under 37 CFR 1.137(b) filed 01 February 2002 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that the basic national fee of \$980 and per applicant's authorization to charge his deposit account, the required petition fee of \$1280, \$130 surcharge for filing the declaration and \$130 processing fee for filing the English translation of the international application after the thirty month period have been paid and thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the National Stage Processing Division of the Office of PCT Operations for continued processing. The 35 U.S.C. 371(c) date is 01 February 2002.
